Aspire Hybrid flooring

Aspire RCB Hybrid flooring represents next generation manufacturing techniques utilising the recently developed rigid composite core board (RCB). RCB core is manufactured from inert mineral compounds that are stable and provide little or no movement; this enables excellent performance characteristics not commonly associated within the Luxury Vinyl Tile category.

Oakleaf Laminates

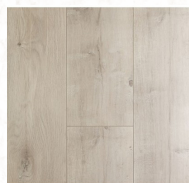

For homes that require a balance between the beautiful aesthetics of traditional timber and the affordability of laminate flooring, the Preference Oakleaf laminate flooring collection is an excellent option. This collection uses the LOC system to ensure a simple installation, and is protected by an AC3 rated protective coating. To guarantee the Oakleaf's success in your home, a lifetime structural warranty is included with purchase to safeguard your investment for years to come.
